

Terms and Conditions

SOFTWARE LICENSE & AGREEMENT

By downloading, accessing, or installing this software on your server, you acknowledge that you have read, understood, and agreed to be bound by these Terms and Conditions.

1. Ownership

This software is the exclusive property of Sheikh Nizam. All intellectual property rights, titles, and interests in and to the software are owned entirely by the developer.

2. License and Usage

Upon acquiring the software, you are granted a non-exclusive, non-transferable right to use the software for your personal or internal business purposes. **You cannot change the source code; you are only permitted to update the required configuration values.**

3. Restrictions

You may not resell, redistribute, sub-license, or share the software, in its original or modified form, with any third party. The software is strictly provided for your individual or internal operational use only.

4. Refund Policy

As this is a digital product, all sales are final and strictly non-refundable once an advance or complete payment is made. Once the software has been downloaded, accessed, or installed on your server, you are not eligible for a refund under any circumstances.

5. Acceptance of Terms

Your act of downloading the software, making a payment (advance or complete), or uploading it to a server constitutes your explicit, legally binding agreement to all the terms and conditions outlined in this document.

6. Contact Information
